Our goal is simple: to help people with barriers obtain employment and maintain suitable jobs. This means that we will work closely with the employer as well as our referalls to see that the needs of both parties are met and to reduce turnover for employers. A member of our staff is never more than a phone call away.

Are you tired of employees who quit just about the time you get them fully trained? We have workers who have been with the same organization for YEARS.

Community Employment for People with Barriers

We would love to meet your employment needs!
